

MEETING OF DÚN LAOGHAIRE-RATHDOWN COUNTY COUNCIL

11 MARCH 2019

TREE PRESERVATION ORDER LIST

Question : Councillor C. Smyth

"To ask the Chief Executive to list the trees within the Dún Laoghaire-Rathdown County Council area that are designated with a Tree Preservation Order?"

Reply:

There are 8 no. Tree Preservation Orders TPOs in the county, as listed below: all but 1 no., are legacy Orders (Dublin County Council and Dún Laoghaire Borough Corporation), inherited at the established of Dún Laoghaire-Rathdown County Council (Jan. 1994). Since then DLR made 1 no. TPO, in 1998, for a large Lime tree in Belgrave Square park, Monkstown.

Locations of other significant trees and tree groups

Certain trees, groups of trees and woodlands have been identified on the Development Plan Maps. It is intended that these trees be protected and maintained. Robust and appropriate levels of protection should be provided for trees and tree groups identified, with a long-term aim of linking groups together to provide more robust tree assemblages.
